Title: The Royal Plot

Author: Garrett Granth  
-----

For those in the know, a  
new King has been decided  
on by the nobility of  
Sosaria.

He is called "Addie," a  
childhood nickname  
bestowed upon one  
Adamu Edom Wellings, son  
of Hervan and Genna  
Wellings, deceased, of  
Magincia.

The only note of the  
Wellings family I have  
been able to discern is a  
tattered fragment of  
Minor Nobility Roll in the  
custody of The First  
Library of Britian, which  
refers to Baronet  
Wellings, Sir Gaius Vestei.

The Birth Certificate of  
Adamu Wellings was on  
file, then, when Magincia  
was destroyed.

As of yet, no real  
mystery surrounds our  
newly chosen King.

So let us delve deeper.  
Magincia was destroyed  
utterly years ago, yet  
this Addie, supposedly,  
survived this entire time  
in the "accidental" statis  
of the nefarious Time  
Lord - a being of power  
beyond Time who created  
(and destroyed) the foul  
beast Exodus!

Now, this Time Lord has  
returned Addie to "our"  
time and when he did, he  
bade us to slay the boy,

only five at the time,  
though he had aged -  
WHILE IN THE  
TEMPORAL VORTEX, given  
all manner of who knows  
what sort of instruction  
by the Time Lord?

The brave warriors of  
Britannia, understandably,  
did not slay the boy, out  
of compassion. The Time  
Lord then fought them,  
AND, though he possess  
power undescrivable even  
to this skilled bard, was  
unable to destroy a few  
mere heroes and a  
toddler!

The boy aged rapidly, and  
now is set to rule the  
lands, even as the Time  
Lord, a being able to see  
the Past, Present, and  
Future, has declared him  
to be dangerous, a  
destroyer of the lands!

And there is \*another\*  
mystery! During the  
so-called "Debate" on the  
parentage and origins of  
this soon-to-be king, Lady  
Danica herself showed me  
a book in the library at  
Castle Britian, written by  
Sage EM Bennu himself,  
declaring the following:  
Addie's Real Name is  
Lucifer Von Constance!

Lucifer! The name of a  
Deamon Lord most Foul!

This is no mere human  
king! This is a coup,  
placing a Deamon-trained  
lookalike, an imposter of  
the highest degree, onto  
the throne of the land!

The Time Lord was right!  
The new King brings us  
our Doom!

RESIST! This is a call to  
resistance!

RESIST THE TYRANT!
